POTENTIAL SUPPLEMENTARY FUNDING

University-administered scholarships are partial scholarships. If a scholarship is offered, documentation of supplementary funding **must** be submitted within a limited period of time.

If documentation is submitted and deemed acceptable by the University, payment of the deposit will be due immediately, confirming and committing the applicant to participation.

The scholarship offer will become a grant only after receipt of funding documentation and payment of the deposit.

If the deadline for submission of funding documentation is not met or the deposit is not made, the scholarship offer will be withdrawn.

We strongly recommend that applicants seek supplementary funding as soon as the application is submitted..
